

Steps to Success

“He believes in himself and he has made me believe more in others.”

Michael accomplished two great things this month: he got his first job and he inspired Employment Specialist Sonya Tyler with the power of possibility. His story is a reminder of the strength of the first step toward success. Employed through United Rehabilitation, Michael is managing his transportation by riding the bus on his own, meeting new friends through vocational workshops, better handling his health and hygiene, and showing greater focus and excitement. Living in a group home, Michael still struggles with the limitations of his mental and physical challenges, but Sonya says, Michael “has come a long way in so many areas and I just wanted to say that I am very grateful to work with him.”
